DONOR FREQUENTLY ASKED QUESTIONS (FAQs)

1. Why are you running as an independent candidate?

I am running as an independent because Sierra Leone needs leadership that is accountable to citizens, not to political machinery or financial patrons. Independence allows this campaign to remain principled, transparent, and free from obligations that compromise governance.

2. How will donated funds be used?

Funds support lawful campaign activities including civic engagement, policy development, grassroots mobilization, communications, compliance, and logistics. Every expenditure is aligned with electoral law and subject to oversight.

3. How do you ensure transparency and accountability?

This campaign operates under a Financial Transparency Charter that includes:

- Quarterly public financial reports
- Independent audits
- Oversight by legal and financial professionals
- Full disclosure of donations above legal thresholds

4. Are there limits on donations?

Yes. All donations comply with national laws and ethical guidelines. We do not accept anonymous or conditional contributions, and we reserve the right to decline funding that conflicts with our principles.

5. Can donors influence policy or appointments?

No. Contributions do not grant influence over policy, appointments, or decisions. Support is an expression of shared values, not a transaction.

6. How can diaspora supporters contribute?

Diaspora supporters can contribute financially, serve as ambassadors, support outreach efforts, and participate in policy dialogues. This campaign values engagement as much as funding.

7. Will donors be publicly acknowledged?

Donors may choose to be acknowledged publicly or remain private within legal limits. Transparency applies to the campaign, not to personal exposure.

8. What happens if the campaign does not succeed electorally?

All funds will have been used lawfully and transparently. Financial reports will be published regardless of outcome, and remaining resources will be handled in accordance with the law.

9. How can I verify the campaign's financial integrity?

Quarterly reports, audit summaries, and governance documents will be accessible through official campaign channels.

10. Why should I trust this campaign?

Because trust is demonstrated, not promised. This campaign is built on openness, accountability, and respect for every supporter.
