DONOR ONBOARDING PACK

Welcome to a Citizen-Owned Campaign

Welcome Message

Thank you for choosing to support an independent, citizen-owned movement for national renewal in Sierra Leone.

Your decision to engage reflects a shared commitment to integrity, accountability, and democratic responsibility. This campaign exists because citizens — at home and abroad — believe leadership must answer to the people, not to hidden interests.

This onboarding pack outlines how your support is managed, protected, and honored.

What Your Support Represents

- A commitment to ethical political financing
- A rejection of transactional politics
- An investment in democratic renewal
- A contribution to transparency and accountability

What You Can Expect

- Clear communication
- Respect for your privacy
- Regular financial reporting
- No solicitation for influence or favors
- Professional stewardship of all contributions

How Funds Are Managed

- All donations are recorded and verified
- Funds are used strictly for lawful campaign activities
- Expenditures are reviewed internally and externally
- Quarterly financial summaries are published

Your Role as a Supporter

Supporters are partners in values, not stakeholders in power. Your contribution strengthens democracy — it does not purchase access.

Contact & Oversight

For any questions regarding governance, compliance, or reporting, designated campaign officers are available to respond professionally and confidentially.
